Would you like the opportunity to work for the charity at the heart of your community?

Aspire is a local charity that provides an active life for the whole family at its facilities, GL1, Oxstalls Sports Park and the University of Gloucestershire.

Are you enthusiastic and motivated by all things community, with a passion for connecting with people to engage them in physical activity?

We are looking for a great communicator, with a background in physical activity creation and programming, to join our Charity to build our physical activity, sport and wellbeing programmes to support the local community.

In partnership with Active Gloucestershire and as part of the **we can move** initiative, we have created a unique opportunity for someone to work with us across our local networks, to re-energise those in our community as part of our Covid-recovery journey.

If you are self-motivated, able to work flexibly and have experience of working within the sport, physical activity or health and well-being sector, please contact us to find out more about this exciting opportunity!

To request an application pack for this role, please email jobs@aspiretrust.org.uk, and we will reply to you as soon as possible. We look forward to hearing from you.

Closing date for applications:

Monday 31st January 2022

Interview date:

Tuesday 8th February 2022
